**The Experienced Source for California Almonds
Sustainability through Innovation**

7/13/18

Good Day,

The Almond Board of California released the June position report today.

Total shipments for the month of June 2018 were 156,763,899 pounds. This is compared to 177,045,385 pounds that were shipped in June of 2017.

This represents a decrease of 11.5% month to month.

YTD shipments are 2,107,702,506 pounds, which is 8.26% above last year's 1,946,822,044 pounds.

Crop receipts as of June 30th were 2,259,346,569 pounds, bringing it up 5.81% from last year's 2,135,385,654 pounds.

If you have any questions about the position report, or the almond market in general, please contact your Hilltop Ranch, Inc. representative.

We will convey more information as it becomes available.
